Conference Overview

Please join SCPHA at our 2022 Annual Conference! *“Developing Our Roots: Fostering an Effective Public Health Ecosystem”* will be held March 28 – March 31, 2022, in the beautiful coastal city of Myrtle Beach. We’re excited to hold our conference back at the DoubleTree Resort again this year. We welcome our members and public health professional colleagues as we network and learn. The focus of the conference is on working with partners, and expanding knowledge of public health—in all fields and disciplines of public health.

We will convene Tuesday, March 29, 2022, at the DoubleTree Resort by Hilton, Myrtle Beach Ocean Front (former Springmaid Beach Resort). Join us Monday evening, March 28, 2022, for networking opportunities at our early-bird reception by checking in Sunday, so you don’t miss a minute of the conference!

We’re excited about our schedule of speakers and presenters this year, highlighted to date by American Public Health Association (APHA) President, Kaye Bender and National Environmental Health Association (NEHA) Executive Director, David Dyjack and Region 7 Vice President, Tim Hatch. A variety of topics will be provided offering opportunities for collaborative relationships between professionals with various disciplines from multiple agencies charged with addressing public health in South Carolina. The goal of the Annual Conference is to have collaborative interaction between those preparing for careers in Public Health and professionals performing heroic work each day. We will also have the Association’s Annual Business Meeting during the conference.

The Continuing Education Committee will be applying for CEUs, as noted elsewhere in this document.

At this time, the full detailed agenda will be forthcoming which will outline the conference’s activities and presentations by keynote, plenary and concurrent session speakers. Do not miss out as we will hear from public health professionals in agencies and academia, and learn from them and each other.

Contact Megan Weis, at Megan.Weis@uscmed.sc.edu, our President-elect and Program Chair should you have specific questions about agenda topics, speaker credentials, and continuing education credits for your specific discipline, etc.
