## ***Conference Overview and Tentative Agenda***

Please join SCPHA at our 2019 SCPHA Annual Conference! “**Advocacy: The Voice of Public Health for Today and the Future**” to be held April 24 - 26, 2019, in the beautiful coastal city of **Myrtle Beach**. We’re excited to hold our conference back in Myrtle Beach again this year. We welcome our members and public health professional colleagues, as we network and learn. The focus of the conference is on the work we do with partners and further public health—in all fields and disciplines of public health.

We will convene **Wednesday, April 24 through Friday, April 26, 2019, at the DoubleTree Resort by Hilton, Myrtle Beach Ocean Front**, and the (former Springmaid Beach Resort). Join us on **Tuesday, April 23, 2019**, for early networking opportunities and our early-bird reception by checking in Tuesday, so you don’t miss a minute of the conference!

We are excited to announce our conference opening keynote speaker, Lisa F. Waddell, MD, MPH, Senior Vice President MCH and NICU Innovation and Deputy Medical Director with the March of Dimes. March of Dimes has built a successful, impactful 80 year legacy of research, education and advocacy for Moms and babies. Dr. Waddell leads a team to prevent preterm birth, birth defects, and infant mortality. She will share an overview of public health and partnerships from a national perspective.

We’re excited about our schedule of speakers and presenters on a variety of topics that will provide enhanced opportunities for collaborative relationships between professionals with various disciplines and staff from various agencies charged with addressing public health in South Carolina. The goal of the Annual Conference is to have collaborative work between those preparing for careers in Public Health and professionals performing heroic work each day.

The Continuing Education Committee will be applying for CEUs, as noted elsewhere in this document.

The tentative agenda outlines the conference’s activities and presentations by both keynote speakers and concurrent session speakers... Do not miss out as we will hear from public health professionals in agencies and academia, and learn from them and each other.

Our tentative agenda outlines the conference’s activities and presentations focus — and what you will listen to our fantastic keynote speakers, as well as our current session speakers!

Contact Gloria A. McCurry, President-elect, Program Chair, if you have specific questions about agenda topics, speaker credentials, and continuing education credits for your specific discipline, etc. at [mccurrga@gmail.com](mailto:mccurrga@gmail.com)
